Rider reported held up rounding home turn and near 300m, observed runner forward of him shifting out so tried to improve to its inside, however that runner held its position causing him to check his mount when disappointed for that run. Then held up for some distance before shifting out to improve approaching the 100m but was again dissapointed for a run and did not obtain clear running until passing the 50m.

Stable agreed with rider's ommnet and indicated an application would be made to remove the ear muffs prior to its next start. Post race vet revealed no abnormalities.

S. Comments:RE:Tactics. Rider explained he was instructed to gain a position one out one back, however, tempo continued to slow he elected to shift to a three wide position at 700 metres and was reluctant to restrain to ensure the gelding kept in a smooth rhythm. He added the reason was a combination of the slow tempo and that his mount was over racing, however, he should have endeavoured to make a greater effort to remain with cover.Rider acknowledged his error Stewards reiterated that in similar circumstances he should show more initiative than he did on this occasion.

S. Comments:Stewards questioned jockey T. Harrison and trainer Mr G. Hineman regarding the tactics adopted on the horse in that the horse raced on the speed in today's race which was in contrast to the horse's established racing pattern. Miss Harrison indicated it had not been her intention to lead, however after beginning well she allowed the horse to stride forward and cross horses to the inside. Trainer Mr G Hineman indicated he had instructed Miss Harrison to ride the horse where comfortable as she knows the horse's racing pattern and was surprised the horse was in a forward position.

Trainer's rep stated stable would resort to barrier practice in an effort to improve its barrier manners and confirmed mare had previously shown a dislike for rain affected tracks. S. Comments:Jumped away awkwardly, shifted in and made contact with Gold Artisan. Commenced to over-race near 800m and had to be checked from heels. Questioned re: tactics - particularly passing the 800m - Rider stated horse wasn't suited by slow tempo and was racing in restricted room to the inside of All Out of Love. From 600m he endeavoured to angle out to obtain an uninterrupted run in the home straight instead of improving on the fence behind the leader which he believed was unlikely to take him into the race.

When questioned regarding the gelding leading, when trainer, Mr C Waller had notified Stewards that the intention was to ride Mackintosh in a mid-field position, rider B Avdulla confirmed that he had been asked to ride the horse in a mid-field position, but from his wide draw, after initially attempting to take a position behind Dream Lane, when that runner did not continue forward, he was then caught wide and with no opportunity to obtain cover, he allowed Mackintosh to stride forward and lead where it travelled comfortably.

S. Comments:Questioned re his riding, stated instructions had been to lead, after commencing well he was able to hold the lead in the early stages. Added that when Perignon improved to his outside, he was content to allow Perignon to cross his mount to obtain cover. Stated that, after obtaining cover, he was then held up in the early part of the straight behind Goldstream when that runner commenced to weaken and it was not until the 200m that he was able to obtain clear running. Vet exam revealed lacerations to both forelegs and a laceration to the tongue. Trainer confirmed the instructions were to lead.

Byrne stated that at the 1000m his intentions were to race to the outside of FELL SWOOP, and when FELL SWOOP was crossed by TWO BLUE he elected to move forward to ensure that FELL SWOOP did not improve and force him wider on the track, however after being bumped by FELL SWOOP passing the 800m, his mount was unable to be restrained and for that reason was forced to race three wide without cover.J. Byrne was advised that in similar circumstances he would be expected to take hold of his mount to allow the horse the opportunity to finish the race off to the best of its ability.
