S. Comments:Underwent a post-race veterinary examination which failed to reveal any significant abnormalities. Jockey L Tilley advised that, in his opinion, his mount had not handled the firmer track conditions. Trainer advised subsequently that the mare had pulled up well but would be assess by the stable veterinarian in the coming days and undertook to advise should anything become apparent. Trainer added further that consideration would be given to a gear change and further spacing of the mares runs going forward.

S. Comments:Began awkwardly. Held up from round home turn until the 150m, where Rdr elected to shift wider to secure clear running. When questioned re tactics adopted, in particular when a run presented between runners approaching the 150m & elected to shift to the outside of heels, Rdr reported instructions were, if possible, find clear running in the home straight, as mare appreciates racing room. Tnr confirmed instructions & added with addition of wingers, thought it would appreciate racing room & was satisfied when mare was shifted wider. Explanation noted.

S. Comments:When questioned in relation to the gelding settling on-pace, in comparison to that of its previous start, rider advised that he was instructed to ride the gelding in a positive manner in an attempt to obtain a forward position. He further added this was consistent with the stable's instructions for the gelding in its previous start, however it had been unable to obtain a more prominent position on that occasion.
