S. Comments:Bumped at start. Laid out after crossing near the 1200m. When asked about tactics adopted early, particularly in electing to maintain a position outside of leader rather than restrain to obtain cover, Rdr said instructed to be positive at start, however, horse raced keen early & was inclined to lay out particularly around the turns and for this reason, allowed horse to stride rather than to restrain. After viewing patrol footage, Rdr agreed in hindsight, horse would have benefited being ridden with cover in a forward position but considering horses racing manners, no action was taken.

S. Comments:When questioned jockey J. Stanley stated that although DONMORE GIRL had to do a little bit of work to obtain the lead, he was satisfied with the way she settled and how she was travelling up until the 400m. He added when he asked for an effort once headed by other runners, she failed to respond and was disappointing from that point on. Stanley stated that the filly had sweated up quite poorly in the preliminaries and this may have been a factor. Trainer agreed with the comments. Post race exam revealed no abs.

Rdr stated instructions were to be positive and to race in a handy position with cover if possible. After viewing race footage, Rdr agreed had erred in not attempting to restrain to a position behind leader mid-race and so give the horse an opportunity to finish the race off.

S. Comments:Required farrier attention after dislodging a near-fore plate prior to parading. Fractious in the barrier prior to the start being effected and subsequently lost ground. Raced wide and without cover for majority of the event. Performed below market expectations. A post-race veterinary examination revealed no significant abnormalities. Rider could offer no explanation for the performance, despite that he felt his mount had raced flatly throughout the event.
