S. Comments:Stewards questioned apprentice J. Oliver regarding the tactics adopted. Apprentice Oliver stated that his intention was to settle in a midfield position if possible after he had received no specific instructions, and after beginning on terms with the field he was of the view if he had restrained to take up a midfield to back position he would have been caught wide, and given the fact that it was a 1000m event he elected to ride forward and take up a forward position. Stewards noted the explanation.
