S. Comments:Hampered between runners on jumping. Rdr reported gelding travelled well early, then came off the bit passing the 1000m obliging considerable pressure-said gelding contacted rail near the 800m and was again under pressure approaching the 500m, before steadying from the heels-added not comfortable with gelding's action on straightening and considered easing from the race, however, gelding then regained its stride giving Rdr more confidence to push it out over the concluding stages where made ground in the run to the winning post.

| S. Comments:Raced wide early before progressing forward to race outside the leader from the 1100m. Raced keen in the middle stages. When asked Rdr explained gelding was obliged to work hard early after being caught wide and when placed under pressure from the 400m did not respond to riding from that point and was disappointing. A post-race vet exam revealed a slight amount of blood in the mouth. |   |                               |
