S. Comments:Slow to begin. Hung badly throughout the event and raced very wide. When questioned regarding the horse's performance, rider A. Denby stated that the gelding hung badly for the majority of the race, proving very difficult to ride and as a result taking no competitive part in race. Trainer L. Wheeler was advised that KAPSTAR must perform satisfactorily in an official trial before being permitted to race again. A post-race veterinary examination revealed no significant findings and a swab sample was taken.

He added that he was obliged to pressure the horse from the 600m and the horse was again reluctant to improve into a tight run in the home straight. He felt that a step up in distance to 1400m would allow the horse to travel comfortably in a more prominent position.

S. Comments:When questioned regarding the poor performance, jockey P. Hammersley stated that the filly never travelled comfortably throughout the race and failed to run on when placed under pressure and, in his opinion, was most disappointing. Trainer S. O'dea agreed with jockey Hammersley's assessment and in view of tonight's performance it was his intention that the filly be sent for an immediate spell.

S. Comments:Questioned re performance, rider stated that her mount travelled fairly in the early stages however passing the 1000m dropped the bit and was under pressure from that point, added that her mount failed travel for the remainder of the event and in her opinion failed to handle the track conditions. Trainer stated in his opinion failed to handle track and had reached the end of preparation and would be spelled, undertook to barrier trial prior to next race start and advised that he would restrict the geldings to drier surfaces. A post race vet exam revealed mildly lame in the near fore leg.

S. Comments:Inquiry re. tactics adopted as the horse led in todays event which is in contast to the manner in which it has been ridden recently. Mr Hull indicated that as the horse has led over a similar distance during its last preparation he did not feel that there had been a change in tactics. He also added that similar instructions had been issued at the most recent start however CUSHY NUMBER had failed to must sufficient early speed to take up a forward position. Stewards advised Mr Hull that, whilst they noted his explanation, in similar circumstances he should notify stewards of his intentions.

 S. Comments:When asked to comment on the horse's performance, jockey D. Griffin explained that with the pace that was set early, his mount never travelled comfortably on the bit and, further, he felt with the rail being out 10 metres, the horse was not comfortable on today's racing surface. He added that he advised trainer M. Lahey that in his opinion the horse would be better suited on a bigger track and over a longer distance than that of today's event. Stewards noted his explanation. Trainer agreed with rider's assessment and said he would step the horse up over further ground at its next start.

S. Comments:When questioned regarding her tactics, particularly in the home straight when it appeared she had secured a run to the outside of STEAL A DIAMOND and then elected to go back inside runners at that time, apprentice B. Grylls stated that in her opinion the horse was not entirely comfortable on what she described as a softer surface out wide and as such she elected to shift back inwards where she felt was the better going, and when she did this the filly then finished the race off nicely. Stewards noted her explanation.
