S. Comments:Stewards questioned apprentice M. McGillivray regarding the tactics adopted today which was to lead in the early stages when the horse has not previously led. He indicated pre-race the plan was to attempt to secure cover preferably in a midfield position, however after beginning well it became apparent he would be caught wide he then elected to ride forward to secure a position closer to the fence. He added that the horse was having its first start over 1600m and the mare raced keenly in the middle stages. Stewards accepted the explanation.

S. Comments:When questioned regarding the performance, jockey advised that after beginning from an outside barrier he had to pressure the horse to obtain its usual leading position and, in his opinion, the fast tempo of today's race, combined with the weight of 59 kilograms, resulted in the horse tiring over the final 200m.
