When placed under pressure failed to respond as expected and only found the line fairly. Stable rep stated gelding performs best when able to settle in a more forward position. Therefore they would step it up in distance in the hope that it could then settle closer to the speed. Post race vet failed to reveal any abnormalities.

S. Comments:Rider explanation re disappointing performance - rider stated had to ride aggressively early stages from the wide barrier to take up a forward position and the horse travelled comfortably in the middle stages but when pressured soon after straightening did not respond to his riding. Trainer confirmed gelding will be sent for an immediate spell. Vetted - no abnormalities. Trainer later reported horses had be found to be suffering from a virus which may have explained poor performance.

Rider noted gelding slow to begin in its jump outs leading in to today's race. Rider added after travelling a short distance elected to restrain to obtain a position in behind TWILIGHT PRINCESS but shortly afterwards obliged to ride gelding along during middle stages to maintain position. Rider further added once able to obtain clear running in home straight gelding finished the race off well.
