| S. Comments:Rider questioned re tactics, particularly approaching the 1800m. He said he had been instructed to ride the gelding off the fence, and passing the winning post on the first occasion he elected to shift out and race to the outside of COLLATERAL, however, COLLATERAL then shifted out, forcing him 3 wide from the 1600m, and he raced three wide thereafter. Trainer M. Wilson expressed some disappointment in jockey Fradd's ride in that after being caught wide in the early stages he would have expected him to ride forward and take up a position closer than being forced to race in a 3 wide position. | | | |

S. Comments:Slow to begin. Tightened for room between runners shortly after the start. When questioned regarding the performance, jockey J. Lloyd stated that as per its normal pattern the gelding raced in a rearward position. He added he was instructed to improve into the race passing the 600m or 700m as the horse is one paced, however it failed to respond to his riding, and subsequently he advised connections the horse would be better suited to larger tracks over more distance than that of today's event. Stewards noted the comments.

Stewart advised that he was forced to race wide throughout the event, however despite this he expected, when he placed the colt under pressure, it would respond to his riding better than it did today. Trainer B. Currie agreed with jockey Stewart's assessment and undertook to advise stewards if anything becomes apparent in the days following the event which may have had an effect on the performance.

S. Comments:When questioned as to the tactics adopted, Jockey J Missen stated that from the awkward barrier today the intention was to obtain cover towards the rear of the field as the filly had over-raced when ridden forward at its first 2 race starts. Trainer G Shaw was of a similar opinion and indicated the gelding would now be sent for a spell. A post-race veterinary examination failed to reveal any abnormalities at the time of examination.  S. Comments:Upon returning to scale, App. B Ainsworth reported that her intention was to obtain a position closer to the speed, however, the gelding was slow to muster speed in the early stages despite her efforts and as a consequence settled further back in the field than anticipated. App. Ainsworth noted that the gelding was back in distance today and subsequently raced dour. A post-race veterinary examination failed to reveal any abnormalities at the time of examination.
