Passing 1600m when BIG MAMA pressed forward of him that horse made contact with his mount resulting in it continuing to over-race for some distance. Thought mare was galloped on rounding home turn. Whilst disappointed in performance, mare's racing manners had a detrimental effect on its performance.

S. Comments:Slow to begin and as a result settled further back in the field than anticipated. Both rider and trainer were at a loss to explain the disappointing performance. Trainer subsequently reported the horse was sore over the back, neck and wither and would receive chiropractic treatment in the coming days as it may have jarred up thereby contributing to the disappointing performance. Has since been treated, and will be given one more chance this prep.
