S. Comments:Began awkwardly. Near the 1100m, was obliged to steady when awkwardly placed. Held up for the majority of the home straight. When questioned, Rdr stated made the decision to shift to the out when rounding home turn, however when the runner in front shifted wider, it resulted in being caught to the outside of the heels of horse and as a consequence, was unable to secure clear running for the remainder of the home straight. Added, that in hindsight it may have been a better option to remain on the rail, availing a run to the inside

Rdr reported colt raced keen early, so elected to take sit-said colt worked well into race & when asked for an effort on straightening, although momentarily lost use of reins near 200m, felt colt was somewhat disappointing-added when unsaddling colt, noticed there were some issues with both of hind plates & said this may have affected its performance. A post-race vet exam revealed colt lost n/hind plate & shifted o/hind plate, causing minor injury to hoof. Sample taken.
