He added that the mare was only having its second start in a race and that was after having nearly a year off from racing. He further stated that the mare would take fitness and racing experience for the run. A post race veterinary examination failed to reveal any significant abnormality.

Trainer advised that he was satisfied with the performance, given the drop back in distance to the 1050m today and the outside barrier. A post-race veterinary examination revealed no abnormalities.

S. Comments:Contacted by another runner at the start. When questioned regarding tactics trainer J. Rundle explained that the instructions given today were the same as at its most recent starts, that is to place the horse under pressure for first 200 metres, attempt to go forward and obtain cover. App.N. Summers confirmed her instructions; however in an attempt to comply, her mount commenced to over-race and refused to settle. She added that she was mindful that when restrained, the horse raced ungenerously and she had not anticipated leading by the margin in which she did.
