S. Comments:Blundered on jumping. Near 1400m steadied. Questioned re tactics, lack of vigour between 600m and 400m. Rider - mount travelled only fairly on heavy track and in horse's best interest to keep it travelling on the bridle to give it every chance of finishing off the race. Placed under pressure rounding home turn at which point it finished off the race better than expected. Conceded that had he known horse would let down well in heavy conditions should have improved earlier than he did. Noting horse had failed in heavy conditions previously stewards advised rider not to leavy riding open to query.
