Comments:When questioned as to whether there was an opportunity to improve her position approaching the home turn, Apprentice said that she had been instructed to ride the mare where it was comfortable, and not to contest the lead if the tempo was solid. She felt the leader, had gone hard in front and she envisaged that it would weaken, so she desisted from riding her mount along at the home turn, electing to let it straighten and balance up before placing it under full pressure. Notwithstanding this advice Trainer was advised that the mare would have to successfully complete one barrier trial prior to being permitted to race again. Trainer also advised that, at future starts, it is his intention to employ the services of a lightweight jockey on the mare as he believes that smaller saddles such as the one used in today's event may be contributing to the mare's poor racing manners.
