Nonetheless, was very disappointed in performance as under pressure leaving 600m. Of the view gelding may not have handled short 8 day back from recent start. S. Comments:Questioned re overall performance - rider stated after beginning well he was able to take up a handy position where the gelding travelled comfortably. Commenced to improve into the race rounding the home turn but failed to finish off the race as expected over the final 200m and prove disappointing. Trainer thought the gelding raced flat today and may be better suited when ridden in the second half of the field. Indicated gelding would be freshened up before its next start. Vet exam - short striding in front.

He added that the gelding is one-paced and after he commenced to improve into the race, BROQUALO shifted wider and commenced to improve, resulting in him being placed 4 wide, and when the tempo of the race improved leaving the 800m, he was unable to push forward to the lead and was caught 3 wide. Trainer confirmed the instructions and was satisfied with the tactics adopted on the horse as it performed best when ridden in this fashion.

Murphy added that his mount failed to sprint over the remainder of the event and only ground its way to the line. When questioned, foreman was unable to explain the performance and undertook to report anything amiss with the gelding in the coming days.
