Mr Hull indicated that as the horse has led over a similar distance during its last preparation he did not feel that there had been a change in tactics. He also added that similar instructions had been issued at the most recent start however CUSHY NUMBER had failed to must sufficient early speed to take up a forward position. S. Comments:Raced 3 wide for the majority of the event. After passing the 800m the mare was not responding to her riding and failed to travel comfortably at any stage of the event and proved disappointing. App Denby was of the opinion that the mare was not comfortable on today's track conditions. A post race veterinary examination revealed the mare to be displaying a cough and a nasal discharge. Trainer reported horse pulled up well and agreed may not have been comfortable in conditions. Believed it would be better suited over further ground when able to settle closer to the lead.
