S. Comments:J. Orman could offer no tangible explanation for the horse's disappointing performance other than that the gelding may not have been suited by racing in a more forward position in today's event. A post-race veterinary examination revealed a slow post-race recovery and a very high heart rate. Stewards will follow up with trainer R. Lipp in the days following the event regarding the horse's post-race recovery.

When questioned, rider said after beginning well he obtained the lead, however at the 800m he allowed another runner to cross him. He said from that point the horse proved one-paced and failed to sprint as he expected and ran on only fairly in the straight. He added that bearing in mind the manner in which the horse finished the race off, in his opinion it may have been a better option maintaining the leading position rather than allowing his mount to be crossed. Vetted, no abnormalities.	54 Michael Murphy (3) 54 (52) R47	\$12,000 \$7 \$4.40 \$5.50	<b>In Running: /3/6</b>

He said that at the horse's previous start from a good draw it gained a favourable position early, however was shuffled back in running to a rearward position before being shifted wider and finishing the race off nicely. He added prior to that the horse raced over a shorter distance and had previously shown disappointing performances on rain affected tracks. S. Comments:Raced wide throughout. Returned to the enclosure in a distressed state. Apprentice T Brooker reported that the mare was fractious pre race and proved difficult to load. The horse, in her opinion, did not show its customary early speed and did not travel comfortably at any stage during the event. After pulling up she was of the view that the horse may have had a breathing issue during the event as it became distressed post race. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments:Questioned re tactics - jockey stated intention to go forward due to minimal speed in race. Rode aggressively early but horse then race ungenerously in early stages and was placed 4 wide early. With no speed in race chose to ride forward to settle outside leader. Failed to respond rounding home turn and proved dissappointing. Trainer expressed dissappointment in performance and will advise stewards of vet exam to be performed after event.
