S. Comments:Rider questioned re tactics from 1200m - instructions were to maintain momentum and if pace slowed to improve forward to eliminate any stop start tactics not suitable to gelding, which is one paced and cannot show any sprint in its race. After going forward at this point was forced to race 3 wide remainder as PRIMAL TOUCH maintained its position to its inside and was forced to race in this position for remainder. Trainer confirmed instructions and was satisfied with ride. Rider lost whip near 200m.

He stated that he was forced to ride the horse along in the early stages as the horse did not show its customary early speed. He further indicated that he did not believe that the mare was entirely comfortable in the rain-affected conditions. He added that he shifted out rounding the home turn to avoid the heels of a weakening runner and despite being afforded clear running in the home straight the mare did not respond to his riding. Vetted, no abnormalities. Stable to furnish vet and endoscopic results to stewards.

S. Comments:Questioned re performance - rider explained he rode with vigour in early stages to establish a forward position, however passing the 1000m he was unable to muster sufficient speed to cross leaders and obtain position closer to the rail and as a result was forced to raced wide throughout middle stages. Rounding the turn near the 600m his mount was inclined to race on one rein and rounding the home turn hung outwards and ran wider on the track. Gelding responded to urgings, however felt effects of a wide run throughout the early and middle stages. Post race vet exam revealed no abnormalities.

As a result of this incident, I FEEL GOOD was obliged to avoid the fallen rider and was subsequently eased out of the event.
