Comments:When asked about seemingly improved performance, Tnr reported at its most recent start at E/Farm on the 23rd of October, gelding began awkwardly and settled further back in the field than anticipated, and with a more positive ride from the barriers the horse, settled in a more forward position and the drop in grade to country level was beneficial.

S. Comments:When questioned re riding of mare, Rdr stated from wide gate asked to be negative on mare, which was first up today and to build into the race from the top of the straight-added on heavy track, attempted to comply with instructions by working into the race prior to the 400m and pressure mare under hard riding from the 200m, at which point mare went to end of race well. Tnr confirmed instructions & whilst thought there was an opportunity to build into the race sooner, expressed overall satisfaction with ride.
