S. Comments:When questioned regarding the gelding leading today, Jockey said that the gelding was stepping up in distance and he was instructed to take up a forward position if circumstance allowed, as the gelding has a tendency to miss the kick. He stated that after beginning particularly well and when there was no speed in the early stages, he allowed his mount to stride forward, where it assumed the lead comfortably. Trainer confirmed the instructions issued, however was reminded of his obligation to inform stewards of any change in tactics.

Stated that no specific instructions had been issued and he was able to find a favourable position from the awkward barrier. He said that when a run became available to him he was not able to take advantage of it as the horse was not advancing to do so and as a result from the 200m was held up and his mount went to the line untested.
