When asked about tactics adopted early, particularly in electing to maintain a position outside of leader rather than restrain to obtain cover, Rdr said instructed to be positive at start, however, horse raced keen early & was inclined to lay out particularly around the turns and for this reason, allowed horse to stride rather than to restrain. After viewing patrol footage, Rdr agreed in hindsight, horse would have benefited being ridden with cover in a forward position but considering horses racing manners, no action was taken.
