S. Comments:Tightened on jumping. When questioned regarding the improved performance in today's event, Trainer S. Rundle advised stewards that this is WHATJEUDOIN' second preparation and had previously raced well third up. Trainer Rundle further added that the appointment of an apprentice with their claim, the drop back in distance and a minor drop in grade attributed to today's performance. Stewards noted Trainer Rundle's explanation.

S. Comments:Jockey L Tilley was unable to offer any tangible explanation for the seemingly disappointing performance of his mount. Trainer R Vale advised that the filly has been inclined to over race in recent starts and proved to be disappointing and it is his intention to make gear alterations and look for races over a shorter distance than that of todays event. The trainer then added that he intends to have blood test conducted in the coming days and report to stewards anything that may assist to explain todays performance.

S. Comments:Jockey R Wiggins reported that after being slow to begin he elected to take a position closer to the rail and added that as the gelding was dropping back in distance today, his mount wouldn't have the pace other runners had and was content to ride at the tail of the field. Stewards noted the explanation.

S. Comments:Tightened on jumping. When questioned regarding the improved performance in today's event, Trainer S. Rundle advised stewards that this is WHATJEUDOIN' second preparation and had previously raced well third up. Trainer Rundle further added that the appointment of an apprentice with their claim, the drop back in distance and a minor drop in grade attributed to today's performance. Stewards noted Trainer Rundle's explanation.
