S. Comments:Slow to begin. Hung badly throughout the event and raced very wide. When questioned regarding the horse's performance, rider A. Denby stated that the gelding hung badly for the majority of the race, proving very difficult to ride and as a result taking no competitive part in race. Trainer L. Wheeler was advised that KAPSTAR must perform satisfactorily in an official trial before being permitted to race again. A post-race veterinary examination revealed no significant findings and a swab sample was taken.

Lavin for the horse to race without its advertised gear - being a tongue-tie first time, winkers first time - following advice from Mrs Lavin that she had not effected this gear change. After further investigations it was established that a gear change had not been effected correctly and therefore Miss Lavin was fined the sum of \$200. Tightened for room at the start and lost ground. Hung in under pressure over the final 200m. Rider questioned re: if he was able to take run between other runners near 350m. See full report.

S. Comments:Inq re tactics, in particular why he rode forward when the horse has not been ridden in a forward position in its recent starts, and also remaining away from the fence where it appeared he had opportunity to cross to the fence after passing the 850m. Rider said he thought the track closest to the fence was more rain-affected so he wanted to race away from the fence and shift wider entering the home straight. He said the tactics today were the same instructions given at the last three starts, but after not beginning well was positioned further back in the field. Stewards noted the explanation.

Further said shortly after straightening when afforded clear running her mount failed to respond to her urgings as expected and was disappointing. A post race vet exam revealed no abnormalities.
