S. Comments:Rider questioned regarding her vigour from near the 500m until approaching the 300m. She said she slapped the horse down the shoulder approaching that point and it became awkward and shifted out. She then balanced it again and was concerned that as it was having its first start, it may make the turn awkwardly and she was reluctant to apply full pressure at that point. Stewards advised Ms Lacy that in similar circumstances she would be expected to apply full vigour as the horse had become more tractable at that point, however given her limited experience, took no further action.

When questioned regarding the horse's disappointing performance, jockey S. He added that he placed the horse under pressure leaving the 600m, however it failed to respond to his riding and in his opinion was disappointing. S. Comments:When asked to comment on the horse's performance, jockey D. Griffin explained that with the pace that was set early, his mount never travelled comfortably on the bit and, further, he felt with the rail being out 10 metres, the horse was not comfortable on today's racing surface. He added that he advised trainer M. Lakey that in his opinion the horse would be better suited on a bigger track and over a longer distance than that of today's event. Stewards noted his explanation. Trainer agreed with rider's assessment and said he would step the horse up over further ground at its next start.
