 S. Comments:Began awkwardly. Near the 900m steadied when awkwardly placed at the heels of HARLEY HOG. When questioned as to the improved performance, Trainer T Pascoe stated that the gelding had over-raced when obliged to race behind other runners at its last start in Toowoomba. Mr Pascoe added that the gelding raced more tractably when able to settle outside the leader today. Mr Pascoe also noted that he had removed the blinkers which in his opinion contributed to today's improved performance.

S. Comments:When asked to comment on the horse's performance, M. Cahill stated that from the wide alley he was obliged to position the horse at the tail of the field in order to obtain cover closer to the fence and was then obliged to shift very wide on the home turn in order to secure clear running. He indicated that in all the circumstances he was satisfied with the horse's performance as the horse was doing its best work over the concluding stages and finished the race off well. He advised that connections intend stepping the horse up over more distance. Lost the near fore plate in running.

S. Comments:When questioned Jockey said that after beginning fairly and when runners to his inside showed superior speed, he elected to ride his mount in a rearward position with cover, where it travelled comfortably throughout, however after being inconvenienced near the 700 metres lost further ground. He said that approaching the home turn he was in a winnable position, however the gelding failed to respond to his riding and went to the finish only fairly. A post-race veterinary examination did not reveal any abnormalities.
