S. Comments:Slow to begin. Forced to race wide rounding the home turn. When questioned as to the tactics adopted, Jockey L Rolls stated that the gelding was slow to begin which resulted in him settling further back than anticipated. Jockey Rolls added that leaving the 800m he elected to shift out to improve as he was concerned that runners forward of him were not going to take him into the race. Jockey Rolls further added that in making this decision he was also mindful of his instructions that the gelding was not suited when asked to sprint quickly off a slow tempo.

Questioned re tactics in setting fast tempo - rider stated instructed to obtain forward position if possible but not to place gelding under undue pressure in early stages. After beginning awkwardly had to ride gelding along in effort to obtain forward position which he was able to do passing the winning post on the first occasion in settling outside the leader. However when attempting to sit of the leader his mount commenced to over race and refused to settle despite his efforts.

When questioned regarding the performance, jockey J. Lloyd stated that as per its normal pattern the gelding raced in a rearward position. He added he was instructed to improve into the race passing the 600m or 700m as the horse is one paced, however it failed to respond to his riding, and subsequently he advised connections the horse would be better suited to larger tracks over more distance than that of today's event.
