When quest, Rdr explained asked to come out neutral on filly & settle behind speed, as at previous starts, had raced too keen early-said filly was fractious in gates, began awkwardly & settled at rear-said did not wish to apply too much pressure early, as concerned it may again over race-added mount inclined to lay out round h/turn, however, once balanced, finished off well. Notified ride early was of concern & would be expected in similar situations to apply more pressure in early & middle stages to ensure mounts placed in competitive position.

S. Comments:Had difficulty obtaining clear run between 300m & 150m. When asked re tactics, Rdr explained after being caught wide early, was reluctant to shift out approaching h/turn as not travelling strongly enough to come wider, adding gelding is better ridden with cover. Said gelding has a tendency to lay in which would have made it difficult to come wider in early stages of home straight. Rdr told had erred in not coming to the outside of the heels at the entrance to home straight rather than the decision to shift back to the inside of that runner round home turn.
