S. Comments:when questioned over below market performance rider G Geran stated his intentions were not to race as forward as he did today, however after beginning well from the good draw he elected to maintain a forward position in the early stages. He added the gelding travelled well in the run but failed to run on when placed under pressure. Trainer R Hay confirmed CAMPONOLGY is better suited ridden further back in the field, and concurred with the comments of G Geran. Stewards accepted the explanation of both parties.

S. Comments:Slow to begin. Stewards spoke with Trainer re the seemingly improved performance. He advised Stewards the horse had been unlucky in previous runs. He added the horse had been working well and he felt the reduction in weight, the surface here today would assist his horse and he expected a forward showing today.

CAMPANOLGY subsequently weakened in the straight finishing well back. Stewards advised App. Morton that she may have been better served by riding the horse for luck by staying on or near the rails after getting back early in the run.
