When asked to comment on the performance, particularly noting the significant market support leading into the event, trainer advised that that OUR BERLINETTA had been working well in the lead up to today's race and he had expected a forward showing. Trainer further advised that the stable had not supported the mare and was pleasantly surprised with the overall performance.

S. Comments:Was fractious in the barrier prior to jumping. Trainer was advised that a warning would be placed on MISS PALLADIUM's record for its barrier manners. When asked to comment on the performance, rider stated that after the poor start, MISS PALLADIUM had to settle further back than anticipated which in rider's opinion, proved detrimental to its overall chances. A post-race veterinary examination revealed no abnormalities.
