He advised that the gelding travelled comfortably throughout the event, however from passing the 500m it failed to respond to his riding and proved disappointing. Trainer advised Stewards that the horse would now be sent for a spell. A post-race veterinary examination revealed the gelding to have an abnormal action in the off hind leg. S. Comments:Slipped in the enclosure when J. Orman mounted, examined by the veterinary surgeon after completing its preliminary and arriving at the barriers and cleared to race. Had to be checked when momentarily tightened for room when racing greenly approaching the 800m. A post-race veterinary examination revealed the gelding to be slightly shin sore in both forelegs. Trainer K. Kemp advised that the horse would be sent for a spell.

S. Comments:Raced wide throughout without cover. When questioned regarding the horse's disappointing performance, apprentice L. Tilley stated that it was his intention to lead or race in a forward position, however the gelding failed to show the necessary speed to take up a forward position. He added that from the 600m the gelding commenced to lose ground and was disappointing. He further indicated to stewards that the gelding may not be suited to the tight turning track. A post-race veterinary examination revealed no significant findings.
