S. Comments:Examined by the veterinary surgeon behind the barriers after brushing the fence when leaving the mounting yard and cleared to start. Bumped with another runner at the start and lost ground. Raced wide throughout. When questioned regarding the performance, which was below market expectations, apprentice D. Graham advised that after losing ground at the start she was forced to race wide throughout the event, which in her opinion resulted in the gelding failing to respond when placed under pressure. A post-race veterinary examination revealed no abnormalities.

Therefore, surprised when jumped well and found itself in lead. Had a look near the 700m when one of the two expected leaders improvise to his outside. Then had another look near the 400 to ascertain if he could shift out across the heels of runner outside of him but was unable to do so when other runner commenced to improve to his outside. Following the event trainer M. Kropp advised that at this stage it is the intention to give the horse a freshen up before its next start.

S. Comments:Apprentice Grylls indicated she had not initially been inclined to improve into that run as she did not wish to race on the fence in the home straight as she felt the track was inferior on the inside. She added that near the 400m she did take a run on the fence and again steadied the horse near the 200m when it appeared AURUM LAD commenced to lay in. She added the horse was doing its best work over the concluding stages and would appreciate a step up in distance which would enable the horse to take up a more forward position
