Added may not have been comfortable on today's surface. Trainer disappointed with performance today and it is now his intention to give the horse a freshen up. Vetted - no abnormalities.

Woodhouse reported at scale that the gelding overraced in the early stages which he attributed to the horse racing in a forward position in today's event. He added that at the horse's previous start at Warwick the gelding began poorly and he was able to obtain a position with cover. A post-race veterinary examination revealed that the gelding had a poor post-race recovery.
