Woodhouse reported at scale that the gelding overraced in the early stages which he attributed to the horse racing in a forward position in today's event. He added that at the horse's previous start at Warwick the gelding began poorly and he was able to obtain a position with cover. A post-race veterinary examination revealed that the gelding had a poor post-race recovery.

Jockey Dittman indicated that the horse became awkward and changed stride at that point, resulting in the filly losing ground and relinquishing its position behind the leaders. S. Comments:Raced wide throughout. When questioned as to the horse's below market expectation performance, jockey B. Stewart advised that he was forced to race wide throughout the event, however despite this he expected, when he placed the colt under pressure, it would respond to his riding better than it did today. Trainer B. Currie agreed with jockey Stewart's assessment and undertook to advise stewards if anything becomes apparent in the days following the event which may have had an effect on the performance.

S. Comments:rider S Drake stated the gelding, which was having its first start, raced with its head in the air and was inclined to lay out in the early stages, and for this reason settled further back in the field than anticipated. She added DANCING VAGABOND was then able to work forward leaving the 700 metres, and in the straight made ground despite again having a tendency to layout when placed under pressure. S Drake further stated it now would be the stables intention to add blinkers and step the gelding up in distance. Stewards noted the explanation.
