Had a tendency to hang out throughout the event and after passing the winning post veered out sharply. Post-race vet examination revealed lacerations to the near fore fetlock. S. Comments:Stewards questioned jockey regarding her tactics, in particular in the early stages of the race where she allowed the gelding to stride forward to a position 5 lengths ahead of the rest of the field. Rider reported that her instructions were to allow the horse to stride forward in the early stages and obtain a lead over the rest of the field before allowing the horse to settle comfortably in the middle stages. Trainer confirmed the instructions. As this was in accordance with the horse's regular racing pattern, Stewards noted the explanation and took the matter no further.

S. Comments:Raced wide in the early and middle stages until a point near the 800m. Stewards questioned apprentice M. Murphy regarding his tactics on the horse. Apprentice Murphy stated that his instructions were to lead, which is the horse's normal racing pattern, however was unable to cross BILLY GOAT and LANDALE and elected leaving the 900m to restrain to a position behind the two leaders. Whilst stewards noted his instructions, they were of the opinion that he may have erred in persisting so long when unable to obtain the lead and restrain his mount.

S. Comments:Stewards questioned apprentice J. Oliver regarding the tactics adopted. Apprentice Oliver stated that his intention was to settle in a midfield position if possible after he had received no specific instructions, and after beginning on terms with the field he was of the view if he had restrained to take up a midfield to back position he would have been caught wide, and given the fact that it was a 1000m event he elected to ride forward and take up a forward position.
