MESSAGE FROM THE CEO

The Hayden continues to provide a pathway for Queensland's best three and four-year-olds to shine on the national stage.

After the success of its inaugural running in 2023, last year's iteration continued to raise the bar with another quality field of QBRED pacers assembled to compete for \$207,000 in stakes.

In what proved to be a thrilling finish, Grant Dixon's Free Thinker was too strong, going on to represent Queensland in the world's richest harness race – the \$2.1 million TAB Eureka.

This year's edition will follow the success of the format over the past years, with the barrier auction to coincide with the Sunshine Stars Yearling Sale on February the 23rd before successful slot holders turn their attention to selecting an eligible QBRED horse.

Named after one of Australia's most dominant Test batsmen in Matthew Hayden, The Hayden

honours a much loved and highly regarded Queenslander, who is known for his grit, determination and strength.

The Hayden is a race for QBRED-only pacers, run during the highly successful Queensland Constellations, ensuring strategic alignment with the fundamental race conditions of the TAB Eureka whilst simultaneously epitomising Haydos' staunch maroon pride.

Aligning with RQ's path towards reconciliation, RQ is proud to continue its partnership with 'The Hayden Way' generating funds for Shoreline, which has provided education and employment opportunities for Indigenous students since 2009.

We look forward to welcoming you at The Creek on June 21.

Warm regards,
JASON SCOTT

MESSAGE FROM MATT HAYDEN

I'M EXCEPTIONALLY PROUD AND HONOURED TO BE ASSOCIATED WITH RACING IN QUEENSLAND, AND I AM HUMBLLED THAT THE HAYDEN WILL PAY TRIBUTE TO OUR FAMILY.

The Hayden provides a unique launching pad for a Queenslander to shine on the world stage as a part of the \$2.1 million The Eureka, and it is a fitting involvement for me as a proud Queenslander.

Importantly, it provides Shoreline with a brilliant concept to partner with Racing Queensland with proceeds funding education and employment opportunities for Indigenous students.

Warm regards,
MATTHEW HAYDEN

OVERVIEW

THE HAYDEN WILL ACT AS THE QUALIFYING RACE TO REPRESENT RACING QUEENSLAND'S SLOT IN THE TAB EUREKA.

THE RACE

The race will be a slot race with eligibility restricted to:

- Three and four-year-old QBRED horses (bred in Australia);
- Trained by a Queensland trainer; and
- Driven by a Queensland licensed driver.

THE NAME - THE HAYDEN

The race named after Matthew Hayden, one of Queensland's greatest ever cricketers, with an objective to draw interest and engagement outside of the racing industry.

CHARITY PARTNERSHIP

The partnership with Matthew will also see funds generated for Shoreline, which has provided education and employment opportunities for Indigenous students since 2009. Funds for Shoreline are predicated on the finishing position of the horse in The Eureka with 10% of prize money won being donated to Shoreline.

WHEN

The Hayden will be run on Saturday night June 21 in the lead up to the 2025 Constellations Carnival and ID25 with the winner progressing to the \$2.1m TAB Eureka conducted at Club Menangle.

THE SLOT AUCTION

Conducted in conjunction with the Sunshine Stars Yearling Sale at The Creek on February 23. Instead of set prices for the slots aspiring slot holders will be bidding on barriers before successful slot holders turn their efforts to sourcing a horse. Proceeds from the auction will go directly into the race. The two auctions to date have raised over \$100,000 resulting in both races being run for over \$200,000.

THE STAKES

\$100,000+ with the prize money to include RQ's guaranteed \$100,000 plus the money raised via the slot auction.

The winner will then graduate to the \$2.1m TAB Eureka assuming RQ's slot where they will compete for the slot holder, owners and Shoreline.

THE SLOT AUCTION

THE AUCTION WILL BE A FEATURE OF THE SUNSHINE STARS YEARLING SALE HELD ON FEBRUARY 23 AT THE CREEK, ALBION PARK. THE SLOT AUCTION ADDS A DIFFERENT ELEMENT, WITH THE AIM OF GROWING INTEREST IN THE SALE AND ATTRACTING A NEW AUDIENCE WHO ORDINARILY WOULD NOT HAVE ATTENDED THE SALES.

WHEN

Sunday February 23 at approximately 4pm.

WHERE

Sunshine Stars Yearling Sale at The Creek, Albion Park or via live stream at www.nutrienequine.com.au.

HOW

Slots will be auctioned from approx. 4pm following the conclusion of the yearling sale. Instead of having set prices for each slot, the 10 barriers (slots) for The Hayden will be auctioned off, with the auction proceeds being added to RQ's \$100,000 seed funding for the race. This way those who purchase the better barriers will theoretically have to pay more for the privilege and contribute more to the overall prize money. To emulate the preferential barrier draw required for the race i.e. PBD Age/Sex, while also providing successful bidders with certainty when choosing their horse post auction, the horse requirements for each barrier have been predetermined as outlined in the table to the right. Slot holders must choose/nominate a horse as per the conditions of each barrier.

CONDITIONS

The Sale will be conducted by Nutrien Equine. Key conditions are highlighted on the right. Access the Auction Conditions via racingqueensland.com.au/the-hayden.

SELECTING A HORSE

Once you have purchased your slot and completed the Slot Holders agreement you are free to choose a horse to compete by either of the following methods:

- You may already own an eligible QBRED horse, noting you agree to compete in the \$2.1m TAB Eureka should your horse win The Hayden; or
- Negotiate with an owner of an eligible QBRED horse, ensuring your agreement includes competing in the \$2.1m TAB Eureka should your horse win The Hayden.

If there is no emergency that fits the age and sex profile of the scratched horse, the Slot Holder will not be entitled to a runner in The Hayden and will receive last place prize money.

THE HAYDEN SHORELINE

OVER THE YEARS, FEW PEOPLE HAVE EPITOMISED WHAT IT MEANS TO BE A QUEENSLANDER LIKE MATTHEW HAYDEN AM, INCLUDING HIS ONGOING COMMITMENT TO FAMILY, COMMUNITY, SOCIAL RESPONSIBILITY AND SUSTAINABILITY, WITH THE RACE UNASHAMEDLY TAKING ON A QUEENSLAND SLANT AND BEING RESTRICTED TO QBRED-ONLY HORSES.

Just as importantly, however, The Hayden can transcend what happens on the track and can make a real difference to the lives of Indigenous students.

Staged on an annual basis as part of RQ's NAIDOC celebrations, RQ will utilise The Hayden to generate funds for Shoreline, which has provided education and employment opportunities for Indigenous students since 2009, and to reinforce its commitment to reconciliation.

Founded on the Tiwi Islands, more than 300 students have participated in Shoreline programs over the past decade, igniting and inspiring positive change and self-determination for young Indigenous Australians.

With the winner of The Hayden advancing to The Eureka, RQ will commit 10% of all prize money from The Eureka to Shoreline to assist in funding its educational programs.

With the inaugural edition of The Eureka offering over \$2 million in prize money, RQ will make a donation of between \$10,000 and \$100,000 to Shoreline as part of its commitment to The Hayden.

MATTHEW HAYDEN AM

Widely regarded as Australia's greatest ever Test opener, Mathew Hayden was one of the game's most electrifying – and intimidating – batsmen who set a then world record for the highest ever score with 380 against Zimbabwe. Hayden was made a Member of the Order of Australia in 2010, inducted into the Queensland Sport Hall of Fame in 2014 and inducted into the Australian Cricket Hall of Fame in 2017.
